Washington, D. C. 20505

Dear Mr. Briggs:

The Department of State has requested a copy of the Foreign Relations Committee's January 26, 1965 transcript for use in the preparation of their documentary series, Foreign Relations of the United States. This transcript concerns a briefing with former CIA Director McCone on the world situation and is retained in the CIA's files.

I would appreciate the Agency's review of the document and your advising the Committee if there is any objection to the release of it to the State Department for their use. If there is no objection, please return the transcript to the Committee.

Sincerely,

Scott Cohen
Staff Director
